READING DIRECTIONS

This book reads from **right to left**, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!

Lesson in Love

Hayama-sensei and Terano-sensei are two women who work at the same school...and just started going out! They're a little shy about their budding relationship, but their coworkers—and even their students—are rooting for them as they bumble their way through love!
